

## Assessments

To ensure ongoing progress without anxiety and fear of failure, round the year holistic assessment of the individual is done using a variety of tools, including formal examination from Class VI. The assessment covers both scholastic and co-scholastic aspects of pupil growth including health status, personal and social qualities, interest, attitudes and values, proficiency in co-curricular activities and academic competence.

There is no formal examination from Play Group to Class V. For promotion to the next class, the assessment is based on the work and progress of the pupil during the year.
