

RUKMANI BIRLA MODERN HIGH SCHOOL

RBMHS/2020-21/May/01

14/05/2020

Dear Parents,

Warm Greetings. Hope all of you are keeping yourself well protected and we sincerely pray that the world should be restored to normalcy soon.

We all are aware of the tough times that the entire world is going through in the wake of COVID-19 pandemic. The past one and a half months spent in total lockdown has changed our lives. In a world with changed priorities, even education had to be re imagined. The school building may not be accessible but we at RBMHS ensured that we get 'learning' into your homes with the Microsoft Team App. Kindly note that these online learning modules are no substitute for education that the Schools impart. But the Virtual Classes is the best we can offer to our children in the present day situation. The Microsoft teams App is safe, secure and user friendly App offering many features for coordinating assignments and assessments, Notes, etc. We have broadened our online curriculum to include, Music, dance, Yoga and Physical education. We have ensured that apart from the interactive sessions with the teachers the students also get a summary of the concepts taught (in the form of PPTs) so that they may refer to them in the future. These E resources and online learning programmes will be in operation until the Government deems it fit to open schools.

We will close for the summer holidays from the 30th of May 2020 after the first periodic Assessments (PAI) which will commence from the 22nd of May 2020. The school will reopen on the 1st July 2020 for all the students as per the latest advisory from the Government.

A word of praise for our 'Silent Warriors'- our own teachers, who have risen to the occasion and have harnessed available technological tools to create content for remote learning. They have strived day and night to enable an uninterrupted learning experience. There are bound to be flaws both technical and otherwise as we step into a new way of learning. At this point I would like to acknowledge the role of Parents who have actively and diligently donned the role of a teacher at home. We appreciate and are grateful for your support and cooperation in making this online learning a success. Let's continue to collaborate to prepare our children to be well rounded persons. Our teachers will continue to improve each session based on your feedback.

RUKMANI BIRLA MODERN HIGH SCHOOL

Kindly drop in your feedback at principalrbmhs@gmail.com. Your positive and encouraging words will be a tonic for the teachers.

We need your help in embracing & consolidating this new way of learning and also in running the school seamlessly as to enable us to workout salary payments to the dedicated staff which has stood by the school and the students at all times . Keeping in view the present exigency, following considerations have been made in the payment of Fees:

- Fee payment can be made on a monthly basis for the 1st quarter. The online module has been activated accordingly.
- We have waived of Late fee charges for the first quarter.
- No advance payment of fees is needed for the first quarter. The monthly fee can be deposited after the completion of the month.
- The school has not hiked any fee in the current session.
- No new additional heads have been created in the fee structure.
- The school Tuck Shop is open from 9:00 am to 1:00 pm (from Monday to Saturday) if you wish to purchase Books, Stationery and Uniforms.

While the above measures go on, we are committed to convert the adverse situation into an opportunity to impart the most enduring lessons of life. Let us determine to stay positive, safe, resilient and connected to each other while practicing social distancing. It is our mutual trust, support and cooperation that will help us tide over the situation.

BE CAREFUL, BE ALERT, BE KIND & SUPPORTIVE, PROTECT YOURSELF & OTHERS.
