NEWSLETTER 2020-21 ISSUE 1

## EDITOR'S NOTE

In a year that brought us unprecedented circumstances, Microsoft Teams in the form of classes, social distancing and a caged existence, we still strive to look up. This year has been a particularly grueling one with the lockdown changing every aspect of our lives but the spirit of commitment and enthusiasm of Birlaites never wavered with a plethora of activities and events conducted virtually. This newsletter covers not only the summary of the events and activities that took place in these times, but also the various endeavors and initiatives taken up by the students of RBMHS in various fields.

SUMMER ACTIVITIES

GHEWAR MAKING

YOGA DAY

ACHIEVERS' SECTION

We would like to express our gratitude to the school for conferring upon us the opportunity of being the Editors. We would like to thank our teachers who guided and assisted us as well as the council who aided us in all its capability. That being said, the Editorial team is delighted to present the first edition of the school newsletter to help you reminisce the eventful days that enthralled and emancipated you from the mundane life.

Stay safe! Happy Reading!

# RBMHS EXPERIENCES THE NEW NORMAL

When the Covid-19 pandemic abruptly took the world by storm, all things had to be moved over to the virtual world as a precautionary measure against the spread of the virus. The RBMHS family has taken this in stride. Our teachers who have swiftly adapted to the online element of education and the students who are determined to learn through these rough times – we laud you for your perseverance.

# SUMMER ACTIVITIES

What are vacations for, if not learning and exploring new things?

While the Coronavirus Lockdown may as well be classified as a prolonged vacation in one way or another, the students of RBMHS haven't let the physical obstacles affect their mental exertions, be it May or August. Five days of virtual summer activities were organized on MS Teams starting from 25th May to 29th May 2020. Classes 1st to 5th eagerly took part in various activities such as Cloth Folding, Art & Craft, Cooking Without Fire, Salad Making, Mask Making Activity and Bird Feeding Activity which touched upon the quarantine theme of this year.

The virtual activities were a great success and entertaining for students, as they learned new skills in a safe and nurturing environment.

# GHEWAR MAKING ACTIVITY

With the onset of summer 2020, students weren't the only ones enjoying the at-home activities. On 22nd May, 2020 an interactive parent-teacher activity of Ghewar Making was hosted by Mrs. Bhawna Saxena, senior faculty teacher at RBMHS. In the session, parents learned how to make ghewar, a traditional Rajasthani sweet dish, through Mrs. Saxena's personal recipe. And oh, how delectable the results were! The event was a great success and it was conducted entirely online. Parents and teachers bonded over the art of cooking in a refreshing manner.

# INTERNATIONAL YOGA DAY 2020

"Yoga is the journey of the self, through the self, to the self." On the morning of 21st June 2020, the teachers, students and parents of the RBMHS family came together virtually to celebrate the International Yoga Day from the safety of their homes. A video was also prepared showcasing various Yoga asanas. The event emphasised the importance of physical and mental wellness, especially during these trying times.
