## INDEPENDENCE DAY

To ensure that the fervor of patriotism lives on, RBMHS celebrated Independence Day online on 13th August, 2020. The live event consisted of the Principal, Mrs. Anjana Kumar unfurling the tricolor flag and singing the national anthem in unison with NCC cadets.

The virtual event was conducted with pomp and show as children participated in various activities like bottle painting, collage making and poem recitation all having theme 'Independence of India'.

# TEACHER'S DAY

No force of nature can stop the love a batch of determined 11th graders have for their teachers, and this was evident in the virtual, but equally exciting Teacher's Day Celebration that took place on Microsoft Teams on 5th September. The event included two beautiful poems, followed by a splendid video which perfectly expressed our collective sentiments- missing our teachers, our friends and our (live!) school. After a heartfelt address by Principal ma'am, the event concluded with a moving documentary from the 12th graders.

# JANMASHTAMI

The birth of Lord Krishna has always seen an exuberant celebration on RBMHS grounds. With the lockdown still at large, Lord Krishna's Janmashtami was celebrated on 12 August, 2020 virtually on MS Teams. Students of Primary Section were dressed up in traditional costumes and performed group dances (via their designated windows on Teams, no less!) to glorify the occasion. Different stories related to lord Krishna were narrated during the classes.

## NATIONAL INTEGRATION DAY

National Integration Day was celebrated on 22nd July 2020 to raise awareness amongst the cadets. The cadets got an insight into the paramount aspects of the event and its importance. The cadets also took an oath and pledged to stay dedicated to preserve and strengthen the freedom and integrity of the nation.

## KARGIL VIJAY DIWAS

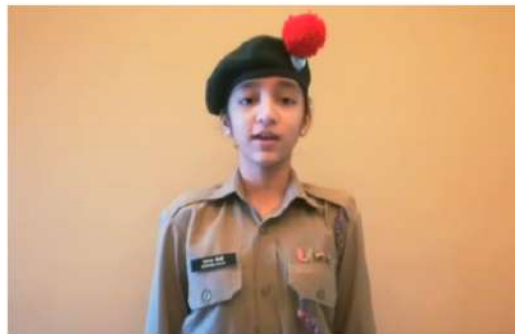

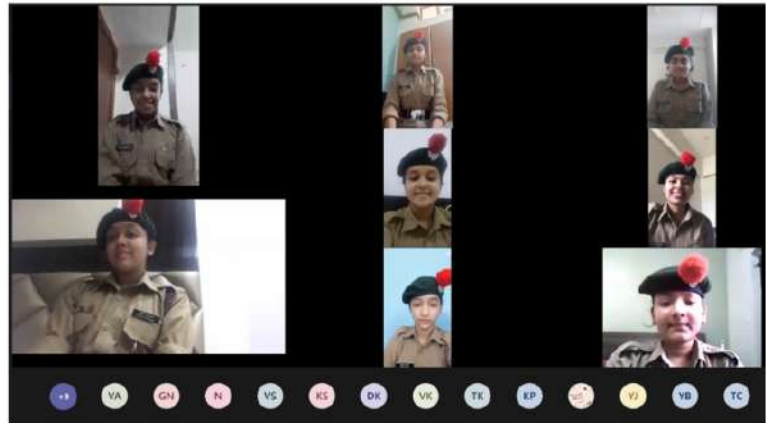

The virtual programme for Kargil Vijay Diwas was organised on 26 July, 2020. The cadets paid their respect to the soldiers who risked their lives for the country in Kargil's Operation Vijay through patriotic songs and classical dances, and concluded the event with the NCC song, 'Hum Sab Bhartiya Hai'.

# UNICEF COVID-19 AWARENESS WEBINAR

A webinar was conducted by UNICEF in partnership with NCC to create awareness amongst the cadets regarding the COVID-19 pandemic. The cadets were briefed about the precautions to be taken against the virus and a dialogue was held in which cadets discussed about the measures that should be adopted by the United Nations in order to overcome the pandemic.

## NCC DAY

The 4th Sunday of November is observed as the National Cadet Corps Day. NCC has not only taught the cadets the values of staying united and disciplined, but it has also inculcated in them the virtues of remaining selfless and principled. To celebrate NCC Day, the cadets prepared a video consisting of the NCC song, flag area on the theme 'the three wings of NCC' and a self-composed poem telling how NCC has evolved the cadets into meticulous citizens. In the current restrictive scenario of the pandemic the cadets paid this tribute to their organization through a virtual event.

# BOOK CRICKET

Nothing can stop a Birlaite from learning, much less a lockdown. The Book Cricket event was organized for three days starting from the 5th of October 2020 on MS Teams. Book Cricket is a small book based game which stimulates a cricket match just by opening and closing a book. The last digit of a page number is taken as the score for a particular ball. The objective of this event was to make children practice addition and recognize odd and even numbers. The virtual event saw enthusiastic participation from students and parents alike and it proved to be very informative and entertaining.
