RUKMANI BIRLA MODERN HIGH SCHOOL

Where Young minds grow, tender hearts open and an inspired life begins

SCHOOL COMMUNITY

RBMHS is an English medium, progressive, co-educational school, offering value based quality education from Nursery to class XII. It was founded in 2003 by Mrs. Nirmala Birla in loving memory of her mother in law Mrs. Rukmani Devi Birla.

Mrs. Nirmala Birla's vision was to design an iconic building that blends with its beautiful surroundings and also provides the ideal environment for a contemporary education. We are firm believers that the stunning scenery does help to inspire our students. We try to use the whole of the school landscape as an extension of the classroom to develop 'Unlimited Ambition'.

Our surroundings enable our students to have interaction with the environment and the clean fresh air this provides. Set in over 20 acres, this stunning architectural design has some exceptional facilities that include state of the art sports facilities for football, basketball, Cricket, Volleyball, Table Tennis, Handball etc, outstanding ICT resources, labs for Fine Arts, Science, Maths & independent spaces for Music, Dance & other extracurricular activities.

The School Auditorium named after the renowned industrialist Padmabhushan Shri G.P. Birlaji is the epicentre of all activities . It is the main hall for lectures, conferences and recitals given at the School. It is a fully airconditioned auditorium completely equipped with green rooms, modern stage lights , and it has a seating capacity of 1000. Every year, many guests, faculty members, and students give lectures and performances in this space.

Today RBMHS has successfully established a culture of high expectation & it ensures that every child leaves the school fulfilled, inspired & confident.

At RBMHS, we set high standards of academic, achievement & behaviour. We expect all members of the school community-students, staff & parents to work together to maintain these standards.
