SUMMER ASSIGNMENT

*Summer days, so warm and bright,
Filled with laughter, pure delight.
Every day a chance to see,
The world in all its mystery.*

*Explore the world, both near and far,
Find out just how brave you are.
Let curiosity be your guide,
In every step, take pride.*

*When you return to books and class,
You'll be refreshed and strong at last.
For summer's magic, soft and slow,
Is the seed where knowledge grows.*

*Balance work with time for play,
Enjoy the sunshine every day.
Rest and dream, let your mind soar,
Summer's gifts hold so much more.*

Dear Parents and Guardians,

As we approach the holiday season, we want to ensure that our preschoolers continue to engage in fun and enriching activities that support their learning and development. To make the holiday break both enjoyable and educational, we have prepared a set of holiday homework tasks designed to foster creativity, curiosity, and exploration in your child.

The holiday homework activities are crafted to align with our preschool curriculum, promoting various skills such as fine motor development, language acquisition, cognitive abilities, and social interaction. We encourage you to participate in these activities with your child, turning learning moments into memorable experiences together.

Please find enclosed a list of suggested activities and materials needed. Remember, the goal is not perfection but rather enjoyment and growth. Feel free to adapt the activities to suit your child's interests and developmental stage.

Should you have any questions or need further guidance, please don't hesitate to reach out to us. We look forward to seeing the creativity and enthusiasm your child brings to these holiday homework tasks.

Wishing you and your family a joyful season!

Warm Regards.
